

Learning Destination – Nomination Form

At the Oxfordshire – Banbury Campus Children's University™ we know there are loads of brilliant clubs and activities out there...but until somebody shows us where they are they remain a mystery. If you attend a club or activity you think should be a Children's University Learning Destination please speak to them and tell them a little bit about the Children's University™ and how you collect Learning Stamps in your Passport to Learning. You might suggest they have a look at our website: <http://www.hanwellfieldscommunityschool.org.uk/Parents/Childrens-University>

If they are interested in becoming involved please complete their contact details below and tell us a bit about what you do there and the things you learn and enjoy doing, then we will get in touch with them.

If they meet our standards, you'll be able to use your Passport to Learning to collect stamps and work towards achieving more national Children's University Awards. In providing this useful research for us we will award 1 hour of Children's University learning for your Passport. Just return the information to your School or to us directly (see below).

In providing this background information for us, we will award you 1 hour of Children's University learning for your Passport to Learning.

Contact Name: _____

Organisation: _____ Telephone: _____

Email: _____ Website: _____

Nominated by (your name): _____ School: _____

Why will it make a great Learning Destination?
