

## PSHE – Miss Holmes and Mrs Hills

We are Miss Holmes and Mrs Hills and we lead the PSHE curriculum, here at Hanwell Fields Community School.

We want to ensure that through our PSHE curriculum

offer, children at Hanwell Fields will be provided with the tools they need to lead safe and healthy lives and achieve their full potential.

As subject leaders we are both extremely interested in children's wellbeing and development, with the vision that by the time your children leave Hanwell Fields they will be equipped with the tools they need to make safe and informed decisions. Our aim is to help to provide children with a solid understanding of their community and life in modern Britain. As PSHE is a passion of ours we continue to develop professionally by taking part in online training sessions, which is helping us to enhance the PSHE curriculum that we can offer to our staff and your children.

Next week is Children's Mental Health Week.

Please follow the Sway link with activities and advice on talking to your children about mental health:
