Dear Parents,

I want to introduce to you the school's BELIEVE statement that we are driving through the school for all our community. This umbrella the school vision and values and has allowed us to reflect on what will continue to drive the school on its strategic direction to provide excellence for our children. As a staff team, we have met and shared our high aspirations for your children.

As parents at home, we want you to embrace our Believe statement too. Home learning plays a key part in supporting the school's aspirations and allows you, as families, to share your child's learning journey. I understand that at times this can be hard so we will be launching the Home Learning Support this coming Friday.

A text will come out on Tuesday that will notify you of what the theme of the Friday will be e.g. Letter writing or Model Making. We will then have places available for your child to be booked in. Please do accept that these places are limited and you may not always get into the session. We will actively review the sessions with you and your child on how you think they are going and ideas you may want to share.

We will also have a Pop Up Shop running that will allow you to purchase at cost items that may help with home learning. I believe that together this initiative will support you and your children to see home learning as an opportunity to share knowledge, develop your child's skills and understanding at age related expectations in their foundation subjects.

And finally, we welcome to our community **Mr Johns** who will be teaching Year 3.

Have a good weekend!

For Information

USB Storage Devices

Due to continuous efforts to make the school safe, we have decided to ban all use of USB storage devices for staff and students. Not only can a USB device contain malware and spread infection as soon as they are connected to a network, but they can also contain ransomware, which you may have seen highlighted in the news lately. We are working closely with United Learning to achieve the best for our school to prevent this happening.

Year 6 pupils will be receiving their office 365 accounts during the next week or so along with OneDrive, so they can upload and download their files such as homework, as needed and share with their class teachers. The rest of the school will follow in the upcoming months.

For more information on internet safety please follow this link <http://www.hanwellfieldscommunityschool.org.uk/Parents/e-Safety>

Second Hand School Uniform

Uniform will be sold on Monday, Wednesday and Friday Mornings in the key stage 1 canopy at 8:30am - 8:45am.

Uniform prices range from
50p - £2.50

Second hand uniform donations

We really appreciate second hand uniform donations. Please donate uniform to the office. All donations should be in good condition, clean with the name label blacked out.

Thank you

Flu Vaccinations

These will take place on **10th November 2016** for Years 1, 2 and 3. It is important to send back to school the consent form, even if you DO NOT wish your child to have the vaccine.

Coming soon.....

The Aspiration Events over the next coming months will include the following:-

- School Disco
- Quiz Night
- Christmas Fayre
- Guest Speakers

Further information on all of the above events will follow in due course. If anyone would like to be part of the 'friends of Hanwell' please email Rebecca.lister@hanwellfields.org for more information. As part of this group I would like to meet up to come up with new fundraising ideas.

PE, Sport and After School Clubs

Hope everyone has had a great sporting week!

After school clubs started this week and got off to a fantastic start. We have tried to offer certain sports that the children may not get the opportunity to play out of school, such as table tennis and badminton. Due to this, we have had a massive demand for all of our after school clubs this term and have increased slightly, the capacity in certain clubs. We believe each session will still be effective for each individual pupil. Please get your child's name on the waiting list, as there is still a chance they could get into the club. You will be notified if a space becomes available.

Sports Academy will start on Friday 23rd of September 2016. Please check your child's book bag to see if they have got a place in sports academy. The sports on offer have changed for term 1 and will change again in term 2.

For those that are partaking in the X-Country, please get your letter in as soon as possible. We will be entering the pupils early next week so please don't miss the deadline. This event is open to anyone from Year 1 – 6.

Have a good sporting weekend. Show respect to your opponents and stay injury free!
