## Dear Parents,

So this week....Year 2 have been out investigating the local area as part of their contrasting localities topic and I will look forward to hearing their results.

Cross Country Event last Saturday - well done to our team that ran in this event last Saturday. Sam, Freddie and Lucas qualified for the next stage, however we were delighted to see Maja, who left us last year, is already sports leader for her secondary school. Most impressive of all is the feedback from the community on the spirit and compassion of our children with each other through the gruelling run and their determination to succeed.

## RHS Rocket Science Enrichment group win competition! –

The UK Space Agency have two special Conferences where Tim Peake will be attending. Hanwell Fields Community School have been invited to present at the University of Portsmouth on Wednesday 2<sup>nd</sup> November 2016. Very exciting for those who will be attending. Read more about this further on in this newsletter.

## FRED 'n' FRIENDS:

Kids, meet Fred.  
Likes: cuddles, food, walks,  
food, attention, food.  
Dislikes: empty food bowl.  
Join-in Fred's adventures  
and fun 'Fred' activities.

## KIDS COOKING with ANNEIESE:

Anneliese loves encouraging kids and families to cook. Bring your kids along to the Kids Cookery Workshop and cook up a lovely festive treat. Get tips too: Anneliese wrote the popular "How to Feed a Family of Four with £20 a week"

**Banbury community event returns for fourth year on 20<sup>th</sup> November...**

The emphasis is very much on the word 'live' - gardening tips, performance poets, drama, cookery demonstrations; music and dance; as well as authors bringing their books to life through presentations and creative writing workshops. Open to all, this will have something for everyone - arrive and leave at a time to suit yourself.

## **RHS Rocket Science Enrichment group win competition to present at the University of Portsmouth and meet Tim Peake!**

The UK Space Agency has organised two very special school conferences offering pupils the chance to present their work to leading space experts and Tim Peake himself! The conferences will celebrate all the work that has been going on around schools to celebrate Tim's Principia mission to the ISS, including Rocket Science. Only 500 young people have been invited to attend each conference after a competitive application process – and Hanwell Fields Community School have been invited to present at the University of Portsmouth on Wednesday 2<sup>nd</sup> November 2016.

Tim Peake will be attending the conferences and will listen to some of the presentations, as well as sharing stories from his time spent on the International Space Station.

Six children who participated in the RHS Rocket Science Enrichment project have been selected to represent the school at this event. This opportunity is simply out of this world!

## PE, Sport and After School Clubs

After yet another fantastic week of sport at Hanwell Fields just a few things to update you with!

### **X-Country -**

Thank you to all participants in last week's X-Country event. As a school we showed fantastic character and followed the school ethos! Everyone who ran showed fantastic determination to cross the finish line. It didn't matter if the pupil come first or last. The pupils got behind each other and ran a fantastic race.

It was also fantastic to see so many new faces coming along and running for the school, especially the year 1's who competed in their first competitive competition for the school. The year 5/6 team just missed out on a place in the final by just a couple of points!

Lucas Hunter who finished 1st in the year 3/4 race, Freddie Milner who came in 8th position and Sam Stout who came in 8th in the year 5/6 race, will all compete again in the next round in a few months' time.

### **After School Clubs / Sport Academy -**

After School Clubs are in full swing and every child seems to be having fantastic fun. As previously said, please get you child on the waiting list, if a space comes free you will be notified.

Sports Academy started last week with 60 pupils taking part.

### **PE -**

As you know we like to get the pupils outside for PE as much as possible in order for them to reach their full potential. As you may be aware, the weather isn't exactly in our favour at the moment therefore we ask if you could pack a jumper and joggers in your bag in case it's a little chilly!

Thanks,

Rupert Townsend - PE & Sport Leader  
Ben Graver – Sports Co-ordinator
