

Hanwell Fields Autumn Challenges 2017

<p>A Taste of Autumn!</p> <p>1 CU hour</p> <p>Get busy in the kitchen and create an autumn inspired treat. Will you create an delicious fruit crumble? Or perhaps some scrumptious muffins? Or even pumpkin soup?</p>	<p>Code Club</p> <p>2 CU hours</p> <p>Visit Code Club and choose a coding project that inspires you, then follow the tutorial and have a go!</p> <p>www.codeclubprojects.org</p>	<p>Nature Detectives</p> <p>1 CU hour</p> <p>Visit the Woodland Trust's Nature Detectives to choose an autumn activity to craft, create and do.</p> <p>http://www.woodlandtrust.org.uk/naturedetectives/activities/</p>	<p>Firework Safety Poster</p> <p>1 CU hour</p> <p>Remember, remember, the fifth of November! Bonfire night is getting closer. Create a poster about staying safe with fireworks - or about keeping animals and pets safe.</p>
<p>Forestry Commission</p> <p>1 CU hour</p> <p>Download the free autumn activity pack from the Forestry Commission. Choose one to complete and have lots of forest fun.</p> <p>https://www.forestry.gov.uk/autumn-activities</p>	<p>Write a Book Review</p> <p>1 CU hour</p> <p>Visit Banbury Library to choose a book... or two or three! When you've finished reading it, write a book review (maximum 200 words) and share it with us.</p>	<p>Create a Superhero</p> <p>1 CU hour</p> <p>Create and draw a superhero. What name would you choose? What about a costume? What superpowers would you give to your hero and how did these first appear?</p>	<p>RSPB Wild Challenge</p> <p>1 CU hour</p> <p>"Nature is an adventure waiting to be had. Get out, get busy and get wild." Visit RSPB Wild Challenge and complete one of their challenges!</p> <p>http://www.rspb.org.uk/wildchallenge</p>
<p>Hibernating Creatures</p> <p>1 CU hour</p> <p>Research about a British animal or insect that hibernates. Next, create a fact file using the information that you have discovered. Don't forget a photo, picture or an illustration too.</p>	<p>Learning Destinations Poster</p> <p>1 CU hour</p> <p>Create a poster that we could use to advertise your favourite local Children's University™ Learning Destination within school, in our newsletter or on Twitter.</p>	<p>Make a Broom</p> <p>1 CU hour</p> <p>Create a witch or wizard's broom, or simply create a broom for sweeping the autumn leaves. Recycle materials such as fallen twigs, branches and old string to create your broom.</p>	<p>Rooster Money</p> <p>2 CU hours</p> <p>Complete the Rooster Money 'Money Matters' activity challenge and learn all about money.</p> <p>http://www.childrensuniversity.co.uk/media/294627/rooster-money-money-matters.pdf</p>

Follow us on Twitter @HanwellUni for more information about our Learning Destinations

Always discuss with an adult first before completing any challenges. Adult supervision must be given when online.

We hope that you enjoy doing these free activities over the half term and that they inspire you to try different things and have fun whilst learning!

What do I do when I've finished an activity?

When you've completed your chosen activity challenge, you'll need to show us some evidence so that we can add the learning Children's University™ credits/hours to your passport.

Some of the activities will specify what evidence you need to show. With others, you can choose how to show us your evidence - for example, perhaps you might like to show us a photo, drawing or piece of writing.

Remember to include with your work: your name , school year and the name of the challenge.

How do I get my evidence to you?

Please bring along your evidence with your Children's University™ passport and hand it in to Mrs Griffiths next term to have your CU learning hours added to your passport.

Alternatively, you can email your evidence to helen.griffiths@hanwellfields.org , then bring along your passport next term to have your learning hours added.

Where can I find more activities and Learning Destinations?

Some of the activities in our Autumn Challenge were inspired by the following Children's University™ Learning Destinations*:

* Banbury Library is a CU Learning Destination

* Code Club is verified through Hanwell Fields on this occasion

Check the Children's University™ website for more Learning Destinations and also follow our Children's University™ twitter account [@HanwellUni](https://twitter.com/HanwellUni) where we will be regularly tweeting about other CU Learning Destinations - locally, nationally or online.

**Always discuss with an adult first before completing any challenges.
