Dear Parents,

We have come to the end of yet another busy week where I have had the pleasure of several pupils showing me wonderful pieces of writing, drawing and many sharing their achievements throughout the week. I really am very proud of them all!

Mother's Day Celebration - This afternoon was the Mother's Day Celebration which saw a wonderful turnout of many female relatives. A successful afternoon with enjoyment being had by all. There was an opportunity to

be artistic with making key rings and paper flowers in jars.

Pupil Consultations - We have the pupil consultations coming up within the next few weeks, (30th & 31st March) and a letter will be coming home beginning of next week with full details of how to log on and make your appointment to see your child's class teacher. The parents evening system can also be accessed via the school's new app 'OurSchoolsApp'. If you have any problems please do contact the school office where they will be happy to help.

Lastly, you soon will be asked to participate in a Survey Monkey and I would ask that you take time to fill out the relevant questionnaires. As a school we do value your contributions, suggestions and community input.

Have a fantastic weekend!

Year 2 Trip to Coventry Museum

On Friday we went on a coach to Coventry. It was a long trip. When we finally got there we went in and got in groups. We went to the lunch room and put our lunch boxes on chairs.

We saw lots of motorbikes and shiny cars. Next we saw bikes with one big wheel and one small wheel. We then saw an army car which was huge. There were old cars and new cars. After a while we had our lunch. In the afternoon we did an Ipad trail. We saw many amazing things. Finally we went back to school and went home.

Dragons Blood Science Experiment

First we mixed ground bones then we mixed dragons blood and then we mixed poisonous water. But Mrs Griffiths said the ground bones was baking powder and dragons blood was washing up liquid and the poisonous water was vinegar. When we mixed it all it went up and went all bubbly. Thank you Mrs Griffiths for this lovely experiment I really enjoyed this experiment.
