Dear Parents,

Pupil Consultations:

Thank you to all the parents that have already booked their slot with their teachers for the consultations next week. There has been a strong sign up so please make sure you book your appointment; if we can help in anyway do ring Mr Nutt in the school office.

As I previously noted, I am in the process of reviewing the school progress towards its strategic improvement plan ready to help inform audits and reviews in the summer term. This work will allow us to priorities budgets, resourcing and shape the future direction for the new academic year 2017-8.

This is when I need your help!

I will be asking for your support in the form of sharing your valuable opinions and views of the school. Please can I ask that you use the link below to complete the survey monkey- it would be really helpful if I could have a high response rate, so I would appreciate your time in completing the survey. We are using the OFSTED parent view questions but have additional space for any comments which will help us on our drive for excellence. Please do remember if you ever want to discuss concerns or ideas for school improvement do please come in and see me.

FYI: Pupils Enrichment Experience Next Week:

Whilst the teachers are meeting pupils and parents, the rest of the school will have 2 themed learning days that have a literacy development focus. We have a professional production of the Wizard of Oz followed by workshop around the play's themes, all focused on developing literacy and embedding skills.

Have a fantastic weekend!
