Dear Parents,

I want to take this opportunity to wish all our Year 6 a restful weekend and good luck in their SATS next week. They have been real stars with such resilience and commitment – they all deserve a great weekend of rest and fun!

Parking on the Roundabout - Please can I ask that you consider how you are parked on the roundabout at busy times. We do need to take into consideration the needs of lorries and safety for the surrounding community. If you can please park up by the community centre to walk and collect your children if the roundabout is busy, as when parking on the corners it does have an impact on turning and moving for larger vehicles.

Residential for year 4 next week - I want to wish Year 4 good luck with next week's residential. I hope they have a great time challenging themselves on activities and really showing the values of determination and confidence. I look forward to hearing all about the events. Big thank you to the staff giving up their time to support the activities.

Please note- No swimming for year 1 or Forest School Year 3 – This is due to the staff being on the residential for year 4's.

Fire Safety Talk for years 3,4,5 & 6 - We had an excellent presentation by Oxfordshire Fire Safety Team this week. The focus was around educating the children around the risks and risk taking behaviours alongside keeping safe in an emergency. As always the pupils were a credit to the school community.

Update from Annabel on her gymnastics. *“On Tuesday the 2nd May I went to Abingdon gym club to compete in a competition with other schools. I had to compete on two different apparatus in front of the judges for group medals. I am currently awaiting my results which will be sent to the school soon. I also got asked to trial for a place in the gym club to get to be a member”. Annabel P.*

Restaurant Award to Caterpillars – *well done caterpillars (our youngest pupils) for winning the restaurant award for their manners and perfect dining behaviours!*

Yellow house won the House point awards 1,084 – Well Done!

Have a wonderful weekend

School Production-Ellie Poppins

We are really excited to announce the dates for our summer production of 'Ellie Poppins'. The children will perform two performances Wednesday 12th July and Thursday 13th July, doors will open at 6.30pm and the performance will begin at 7pm.

Tickets will cost £1.00 each and will be sold on a first come, first served basis.

Do You Have?

For the School Production, we need to kit out 10 chimney sweeps! Before we buy any 'flat caps and waist coats' we are asking for any donations that you may have at home that we could borrow. If anyone has any - could you please leave them at the school office clearly labelled with your name so that we can return it at the end of the production?

Also..... If anyone has any old gardening tools (hand trowels etc) they no longer need could they also be taken to the school office next week so that the gardening club can make use of them?

Thank you for your support
