

Dear Parent/ Guardian,

We would like to introduce ourselves as the uniform supplier for Hanwell Fields Community School. This is a very exciting and sometimes emotional time for you and your little one, and at Sew Sublime we like to make the experience just that little bit easier for you all. We have a town centre store in Banbury where you can come together, try on uniform and get all of your items under one roof, From embroidered school uniform, to quality long lasting skirts, pinafores and trousers, and even socks, tights and plimsolls are available from our Banbury store.

Our staff are fully trained and able to advise on the items you need, those that are optional additions and those we think you should consider with recommendations from the school. There is never any hard sell, we simply want your child to have everything they need to enhance their experience at their new "big school"

It really is very easy to order, you can either pop into our store which is located as shown above, behind Kwik Fit right in the centre of Banbury. Our opening hours are Monday-Thursday 9.30-3pm and Friday 9.30-3pm. We always keep a selection of stock, and from July this increases dramatically. Please don't leave the shopping trip too late into the summer holiday's though, as not only do we want to make sure we have time to get additional stock for you should it be required, but the store does get very busy from the third week of August, and this can be a bit more stressful for your little one- and you! We like to spend time with each of our customers, especially when it is their first school uniform shopping trip. We will always fit the garments with a sensible amount of growing room, so don't worry about summer holiday growth spurts! However, if your little ones do suddenly grow to the next size up, don't worry, as long as the garments are in the original packaging and have not been labelled for your child we will happily swap them for the next size up.

If you would like to avoid the store and prefer to order on line, this is also an option available to you by using the school store online. It's an easy to use website to order all of the uniform required. Not only that, but anything else you order from Sew Sublime using the school store will generate funds which go directly back to the school, the perfect fundraising tool! The web address for your store is

<https://hanwellfieldschool.secure-decoration.com> or you can access it by going through www.sewsublime.co.uk and selecting the schools and clubs option.

When ordering on line you can choose to come in and collect your items, or have them posted to your home address. We also offer free delivery to the school every Friday during term time.

We accept card and cash payments in our Banbury store and card and Paypal payments through our web stores..

Don't forget your child's name labels too! We print whilst you wait in our Banbury store which takes just a few seconds, these labels can be either stuck onto bottles, lunch boxes, shoes etc, or ironed into clothing or even sewn on if you have the patience! These are £5 per 50 labels, (individual name). Even better, when ordering on line, if requested, we include the iron in labels in your package for the items purchased free of charge for you to apply.

We are members of the Schoolwear Association and only provide high quality products. Children outgrow our garments before they have had a chance to wear them out, so you can be sure you are getting the best uniform for your money when shopping with us.

We look forward to meeting you and your child!

The Sew Sublime Team.
