**Name:** Zahira Tai

**Governor Role:** Teacher Governor

**About me:**

I'm Zahira, and I'm delighted to serve as a governor at Hanwell Fields Community School. I bring over three years of teaching experience, along with a background as a deputy manager in a nursery setting. I hold a BA (Hons) in Early Childhood Studies and a PGCE.

Alongside my teaching roles, I also worked as a play leader at the Sunrise Multicultural Project, where I supported children with low cultural capital through creative, hands-on experiences. I have led enterprising projects with my class to raise funds for the school, helping pupils build real-world skills while giving back.

My teaching approach is creative and immersive — I love bringing learning to life. Highlights have included themed days around Ancient Egypt and Ancient Greece, where pupils dressed up, tried new foods, and engaged in interactive activities that made history feel real and exciting.

I'm an active member of the school community and enjoy regularly volunteering at events. Outside of school, **I'm a professional henna artist and enjoy expressing my creativity in various forms. I have a passion for photography, particularly capturing natural beauty and aesthetically pleasing moments,** along with canvas painting, calligraphy, and baking. In my free time, I enjoy travelling, going on scenic walks, and discovering different cuisines, with brunch being a personal favourite.

As a governor, I bring experience in education, curriculum planning, and community engagement. I am committed to supporting Hanwell Fields in offering inclusive, imaginative learning opportunities that inspire every child.

My name is Dawn McLeod and I have been a parent governor at the school since 2023. I joined the governing body because I am passionate about supporting Hanwell Field's vision for every child to reach their full potential in a safe, inclusive and inspiring environment.

For the last 13 years I have been a class teacher at another Banbury primary school. This gives me valuable experience in how schools function, particularly with regards to SEND, an area that I am extremely passionate about.

It is a privilege to contribute to the success of Hanwell Fields School and to help with strategic planning, oversight, and ensuring accountability across the school. As a parent governor, with children in KS2 and Early Years, I enjoy being involved in school life and attending events, as well as, engaging with staff, parents and the wider community.
