

Extended Schools and Services 3 Year Strategy

Banbury Partnership of Schools Strategy

Vision

Extended Services to be accessible in or through all schools in the Banbury Partnership of Schools by 2010. An Extended School recognises that it cannot work alone in helping children and young people to achieve their potential and therefore decides to work in partnership with other agencies that have an interest in the outcomes for children and young people and the local community.

Extended Schools are at the heart of the delivery of “Every Child Matters”, improving outcomes and raising standard of achievement for children and young people.
