

Banbury Partnership of Schools

Children: "Fun !! Free time with lots of options; colouring, playing games, making masks & arty things!!"
"Holiday Clubs and After school Clubs - we really like to decorate biscuits, painting key rings, junk modelling, making cookies and pancakes. "

"From going to Breakfast and After school Clubs we have quite a lot of friends, all of different ages throughout the school, which is great".

Parents: "We have thoroughly enjoyed attending various sessions aimed at parents including Maths, English and ICT. Learning methods have changed a great deal since we were at school so we have been glad to have the opportunity to better understand what our children are learning and how to better support them at home."

"Quality childcare is a fantastic resource for us as a family; our children see it as a treat to go because they make things to bring home, learn new skills and interact with children from other year groups."

The Partnership is committed to making a difference to children, families and the community.

EXTENDED SERVICES

**Making a difference to
children, families and
the community**

Banbury Partnership of Schools—Extended Services and Schools

Extended Services Vision

A Government initiative; Extended Services to be accessible in or through all schools by 2010.

An extended school recognises that it cannot work alone in helping children and young people to achieve their potential, and therefore decides to work in partnership with other agencies that have an interest in outcome for children and young people, and with the local community.

Extended Schools are at the heart of the delivery of "Every Child Matters", improving outcomes and raising standard of achievement for children and young people.

Every Child Matters

ECM heralds five key outcomes:

- ◇ Be Healthy
- ◇ Stay Safe
- ◇ Enjoy and Achieve
- ◇ Make a positive contribution
- ◇ Achieve Economic Well being
