Planned lawful industrial action by Head teachers, teachers and local government employees.
Wednesday 30th November 2011

Dear parents and carers,

As you will be aware from the media, the combined teacher and school leadership trade unions will be taking industrial action on Wednesday 30th November. The action (a one day strike) will result in class or whole school closures of schools across the country.

The decision to close a school or send pupils home is never taken lightly, but in this instance, where staff have elected to take lawful industrial action I will have no choice but to take appropriate steps to ensure the health, safety and well being of all pupils.

We are aware that a school closure is inconvenient to parents and carers and so I am writing to give you advance notice of the likely impact of the action on this school. The unions are still in hoping to reach an acceptable agreement with the government but if the action goes ahead, we will be closed on 30th November.

Bridges Childcare will be open for breakfast and after school hours and the planned 'Little Bridges' sessions will run as usual.

Thank you for your patience and understanding.
