28.2.2022

Dear Parents and carers,

Covid-19 Update:

Following the Government's announcement on the ending of all Covid restrictions in England, we have been considering the implications for us as a school. In doing so, we are, as ever, following the advice and guidance of the experts at the Department for Education (DfE) and the NHS.

Whilst the Government's announcement is clear that Covid remains present in society, it does bring an end to the series of legal and advisory measures that have been in place in schools over the last two years. I would like to thank everyone in the school – pupils, parents, staff and visitors – for following the laws and the guidance so that we have been able to minimise the risk of transmitting the virus within the school.

Our priority remains the safety and wellbeing of everyone in our school community, however, and I would hope that we would all continue to act sensibly and considerately in the interests of everyone's health. So, if your child develops symptoms associated with Covid-19, I would urge you to continue to test them for the virus. Tests will be free of charge until 1st April so do request them from the NHS or your pharmacist if you need them.

If your child does test positive for Covid-19, I would ask that they continue to self-isolate for at least five days and only return to school after having two negative lateral flow tests on consecutive days. Whilst doing so is no longer the law, it is very sensible practice and helps us minimise the risk of Covid-19 spreading in the school. We will be asking staff to do the same. If we are all careful and considerate, we can, I hope, minimise the risk of the virus circulating amongst us. If your child does test positive and will be absent from school please, as usual, contact the school office.

The Government has also announced that all children aged 5-11 are now eligible for a vaccination against Covid-19. These are available via the NHS.

As we reviewing our practices

- *we will no longer require staff or visitors to wear face coverings in public areas. You may of course wear one if you feel more comfortable.*
- *All classes will finish at **3.15 pm**.*
- *We will reintroduce assemblies and lunch in the hall over the next few weeks*

We are all hopeful that we are now coming to the end of the pandemic, but this is by no means a certainty and, as new variants occur, we may be required to reintroduce some or all of the measures we have lived with over the past two years. As a school, we will be continuing to keep our risk assessments and plans updated so that we are always prepared for anything that needs to be reintroduced at short notice.

Thank you again for your support over the past two years. We are all looking forward to returning to normality and, as long as we remain vigilant and considerate of others, I am confident that we will be able to do so successfully and enjoy in full the remainder of the academic year.

Kind regards

Caroline Bond
