

Hanwell Fields Community School
 The best in everyone™
 Part of United Learning

Dear parents/carers

Friday 3rd April 2020

We hope that you are all keeping and safe well! It has been very strange not teaching every day and we hope you are managing to adjust to life at home. Thank you if you have been completing the home-learning work and thank you for the emails and tweets with pictures of children’s work. It has been lovely to see the amazing learning, activities and fun that has been happening. We appreciate that teaching and learning from home can be tricky – try to keep learning together fun and relaxed. What works for some may not work for others – find the best way for you and your family.

Please remember to email us if you have any questions and need some support with any aspect of the home-learning. We will try our best to help and will endeavour to reply during working hours.

During the holiday we will not be setting any specific home-learning tasks. Home-learning will resume after the ‘Easter Holiday’ and will be uploaded to the website under the ‘learning from home’ tab. We have, however, thought about different activities that you may find fun over Easter. Please find a grid attached with different ideas that we hope might keep you busy!

Please remember to follow the Government’s advice and keep safe.

The staff in Year 1 and Year 2
