

Music – Mrs Haywood

I'm Ms Haywood and I'm the Music Lead here at Hanwell Fields. I also teach and lead Music at Hill View which is why you'll only see me here on Mondays, Thursdays and Fridays. It means that I get to plan music events that bring the two schools together, which is always lovely to do.

As Music Lead, I plan and teach music from Year 1 to Year 6, and when I get the chance, I love to work alongside our amazing Foundation staff and children too! I also

lead Choir and Orchestra and create the weekly Music Assemblies that you see in the newsletter.

I've always loved music and have sung and played instruments since I was a child. Since I became Music Lead nearly four years ago, I've been very fortunate to have had some fantastic training from United Learning which has really helped me to develop my knowledge and skills as a music teacher. This summer, our Year 3, 4, 5 and 6 children will be taking part in an online, in-school singing and body percussion project led by United Learning, alongside other UL schools from all around the country. Look out for more information in the coming weeks!
