

9<sup>th</sup> January 2019

Dear Parent or Carer,

**Re: Application for Mathematics – Pilot Year 1**

Hanwell Fields has begun a pilot in Year 1 using School Jam for Term 3!

School Jam is an application for you to download on your phone or tablet that will allow you to engage in fun activities with your child at home. The activities will be sent from your child’s teacher. All the activities are linked to the maths that your child is learning at school in their Power Maths curriculum. The activities will be engaging and practical; for example Ready, Steady, Add, and run around with Number Hunt!

You will also be able to watch short maths help videos which will reveal how your child is learning maths at Hanwell.

Please be advised that if you do not want to take part in this pilot then you can opt out by completing the slip below and returning to the school office by **Friday 11<sup>th</sup> January 2018**. **Please do not download the application.**

If you require more information than please do speak to your child’s class teacher.

Yours sincerely

Caroline Tomlinson (Maths Lead)

***(Please only fill this slip in if you do not want your child to take part in the pilot)***

I **DO NOT** wish for my child to take part in the School Jam Maths pilot.

Child’s Name..... Class .....
