

Hanwell Fields Community School
The best in everyone™
Part of United Learning

Our Curriculum

Our Curriculum is ever evolving and is reviewed and re-designed on a regular basis to meet the changing needs of our children. We use the Development Matters Framework to support our planning and assessment on a regular basis and therefore know where our children need support. We then adapt our timetables and learning environments to support this! We have however developed an Overview of key-themes and texts for both the Nursery and Reception Years and this leads the way at the beginning of each term.

You can access this overview **here**.

We teach Phonics on a daily basis within both Reception and Nursery using a scheme called 'Read, Write Inc!' To find out more about this, please visit: <https://www.ruthmiskin.com/en/find-out-more/parents/> In addition to this, your child's teacher will be able to provide you with lots of information as to how best support your child as they begin to read!
