

Our Indoor Learning Environments (Or classrooms!)

As a school we pride ourselves on creating engaging learning environments for children within the EYFS (Early-Years Foundation Stage). Our classrooms provide children with opportunities to challenge their thinking within a play-based context and act as 'the second teacher'. Zones throughout the phase compliment the EYFS curriculum and encourage children to explore resources independently, alongside their peers or with an adult.

As children move through the phase towards their Reception year, we see them gaining the confidence to access resources independently and make choices of how to use them to support their learning. As a team we work hard to ensure that children are challenged appropriately throughout the EYFS, building upon the skills they need to become brave and successful learners throughout their lives.

Our children are resilient risk-takers who love to learn new things!
